3. **STANDARDS REFERENCED:** American Correctional Association 3rd Edition Standards for Adult Correctional Institutions: 3-4255, 3-4440, 3-4441, 3-4442, 3-4443, 3-4445, 3-4446.
4. **OPERATIONAL REVIEWS:** The Correctional Services Department is responsible for Operational Reviews of this program.
5. **PROCEDURES:** This is an administrative institution and thus visiting for inmates is always inside the secure perimeter, primarily in the Visiting Room. Visiting for Camp inmates takes place in designated areas at the Camp. Since much of the institution is a hospital, unique situations allow visiting to occur in areas other than the Visiting Room. Visits will be conducted in a manner that will allow other institutional activities to take place without unnecessary or extended interference.
6. **VISITING TIMES:** Regular visiting hours are 8:15 a.m. to 3:00 p.m., Thursday through Monday, and national holidays. No visits will be processed after 2:30 p.m.

The Unit Manager is responsible for facilitating bedside visits in the institution. The Captain is responsible for establishing visiting times and supervision for inmates in Administrative Detention and Disciplinary Segregation status.

The Unit Manager and medical staff are responsible for establishing visiting times and supervision for inmates unable to go to the Visiting Room or on the seriously/critically ill list. Refer to Section 14(b) (c) Bedside Visits for Hospital Patients for procedures to be followed.

Consistent with institution resources and scheduled activities, visiting times have been established to ensure institutional programs are not hampered or interfered with. Administrative expenses incidental to arranging and supervising visits will be decided on an individual basis by the Warden.

7. **FREQUENCY OF VISITS AND NUMBER OF VISITORS:** The receptionist enters visits as they occur into the computerized visiting program. An inmate may receive social visits which total eight (8) points per month. A social visit is counted as one point if the visit occurs on a weekday, Monday through Friday, excluding national holidays. A visit on a weekend

or holiday is counted as two points. A visit is recorded as one full visit, regardless of whether the visitor stays for the entire visiting period. Exceptions to the number of visits, as well as any special visit, may be approved by the Unit Manager or Case Manager, under special circumstances described in Program Statement 5267.07. The approving staff member shall document the visit by entering a notation on the Visiting Room computer program. In the absence of the Unit Manager or Case Manager, the Correctional Counselor may approve such visits. Inmates are permitted no more than three (3) adult visitors at a time, three (3) children at a time, and at no time, more than six (6) visitors total.

Visiting privilege ordinarily will be extended to friends and associates having an established relationship with the inmate prior to confinement, unless such visits could reasonably create a threat to the security and good order of the institution. Exceptions to the prior relationship rule may be made, particularly for inmates without other visitors, when it is shown that the proposed visitor is reliable and poses no threat to the security or good order of the institution.

- a. Ordinarily, a maximum of twenty (20) visitors, with no more than ten (10) friends will be authorized on an approved visiting list. A married couple will count as two on this list. This is due to each member of the married couple requiring a separate computer entry with specific information pertaining only to that individual.

Children under sixteen (if they are entered into the computerized list) will not be included as part of the twenty or as a visit.

The inmate will be notified by the Unit Team of the approval or disapproval of his request.

It should be the exception rather than the rule that a prospective visitor is permitted entrance to the visiting room without being on an inmate's approved visiting list prior to their arrival at the institution. If an individual arrives at the institution who is not on an approved visiting list, the IDO will be notified. The IDO will request the unit team to review the inmate's central file to

determine the status of visitor approval. Ordinarily, the visit will not be approved unless the visitor is verifiable in the inmate's Presentence Investigation as immediate family, or was previously approved for visiting at another institution, and the unit team is confident all necessary paperwork and background checks on file are sufficient to make an informed decision. The IDO may verbally approve the visitor based on unit staff input. The unit team will add the approved visitor to the inmate's visiting list immediately or no later than the next normal business day; therefore, no future exception will be required by this same visitor.

- b. Additions not to exceed the maximum number of visitors can occur at any time. Inmates requesting visitors in excess of the maximum allowed (20) must submit a request to the Unit Manager for approval. If an inmate desires to have a visitor removed from his visiting list, the request must be made in writing to the respective Case Manager. Once a visitor is removed, it will be permanent.
 - c. Due to the limited size of the Visiting Room, it may be necessary for some visits to be terminated to allow other inmates to visit. The termination of visits will be viewed as a last resort by staff. If termination becomes inevitable, the Visiting Room Officers will contact the Operations Lieutenant and the Institution Duty Officer (IDO). The Operations Lieutenant and the IDO will then terminate visits starting with visitors who reside in the local area, based on the time they entered the Visiting Room. If this does not alleviate the overcrowding, consideration will then be given to the distance traveled by the visitor and the frequency of visits for determining whose visit will be terminated.
8. **BUSINESS VISITORS:** The Case Manager will verify if any potential visitor who is a former business associate of an inmate meets the criteria outlined in Program Statement 5267.07. The Unit Manager will approve or disapprove the visit and make appropriate documentation.
9. **CONSULAR VISITORS:** The Case Manager will determine whether the inmate is a citizen of a foreign country and verify the visit is concerning matters of legitimate business. The

Unit Manager will facilitate the visit and make appropriate documentation in the Central File.

10. **VISITS FROM REPRESENTATIVES OF COMMUNITY GROUPS:** The Case Manager will investigate the interest and qualifications of community groups or representatives wishing to visit.
11. **SPECIAL VISITS:** The Case Manager will investigate all special visits and determine whether the visit would meet the criteria outlined in Program Statement 5267.07.

An inmate desiring a special visit shall submit to his unit team an "Inmate Request to a Staff Member" at least one week prior to the anticipated visit.

The inmate should give the name and address of the individual with whom he desires a visit, their relationship, and other pertinent information which will assist the unit team in reaching a decision. The inmate's Correctional Counselor will notify the inmate of the approval or disapproval of the visit request by a written response from the unit team. A copy of an approved special visit will be sent to the Visiting Room Officer via computer program. Whether approved or disapproved, a copy of the unit team's response will be placed in the central file, with reasons documented for approval or disapproval.

- a. **Clergy Visits:** Community clergy may be approved for a one-time visit by the Chaplain. If the inmate wishes continued visits, the inmate may have the clergy placed on his visiting list as his Minister of Record. An inmate can have only one Minister of Record. The institution chaplain will have input into this decision. These visits will be restricted to two visits per week and two hours in length. Visits from clergy (other than the minister of record) will be in accordance with the general visitor procedures, and will count against the total number of regular visits allowed.
- b. **Attorney Visits:** Attorneys should be on the inmate's visiting list; however, this does not preclude other attorneys from visiting if the inmate requests such visits. An NCIC check will be conducted on all attorneys the inmate wants added to his approved visiting list with the exception of public defenders from this district. The attorneys must have proper

identification identifying them as bona fide attorneys. Normally, attorneys will be permitted contact visiting with inmates except for security reasons or when violations of institutional regulations occur.

- c. **High Profile/High Publicity/ADX/Marion Control Inmate Visits:** All High Profile, USP-Marion, and ADX inmate visitor requests shall be forwarded to the SIS Office for review prior to approval of the visit. The Unit Team will review the inmate's Pre-Sentence Investigation Report to ensure the visitor is identified as a family member or prior acquaintance.

- 12. **VISITORS WITH PRIOR CRIMINAL CONVICTIONS:** The Warden must approve prospective visitors who have prior criminal convictions. The Unit Team will submit a written recommendation to the Warden noting the visitor's relationship to the inmate and the nature and extent of the prior criminal record. The inmate will be notified by the Unit Team of the approval or disapproval of his request.

Unit teams may deny prospective visitors for good cause, i.e. criminal record, no prior relationship, etc. The unit team will notify the inmate when a prospective visitor is denied.

- 13. **TRANSPORTATION ASSISTANCE:** The institution has provided a pay telephone for the use of visitors in the Front Entrance Lobby. Commercial transportation phone numbers are posted in the Front Entrance Lobby. Directions to the institution and visiting rules and regulations are available to inmate visitors at the front lobby.

- 14. **VISITS TO INMATES NOT IN REGULAR POPULATION STATUS/NON-VISITING ROOM VISITS:**

- a. **Admission and Holdover Status:** The Case Manager will ensure visits are limited to the immediate family for holdovers and new commitments, thus allowing time for processing and investigation of visiting forms submitted by the inmate. Holdover/Pretrial inmates will be notified of the visiting procedures through issuance of the institution admission and orientation handbook upon their arrival at the institution. An inmate transferred from another institution will be able to use his approved list from that facility after review and approval by his Case Manager.

b. Inmate Visits While In Local Hospital:

- (1) Visits are made by immediate family only, ordinarily no one under the age of 16.
- (2) Downtown hospital visits must be prearranged by the inmate's unit team and approved by the Warden. Specific times for the visit will be outlined on the visiting form (Attachment 5). The Case Manager will ensure Attachment 5 is completed and signed by the appropriate authority.
- (3) Following approval of the visit, the Unit Manager shall be notified to coordinate the visit at the local hospital. The IDO will initially meet with staff (i.e. correctional, escort, and hospital staff at the local hospital) and ensure that there are no correctional or medical concerns with the visit occurring.
- (4) A visiting list of immediate family members will accompany the inmate to the community hospital. The Case Manager will inform the immediate family member/members who are approved that they must come to the institution first and complete the Notification to Visitor Form (BP224). Upon completion, the Front Desk Officer will give the visitor a copy of the form to take to the Officer-In-Charge (OIC) at the local hospital. Staff assigned to the inmate at the local hospital will supervise the visit.

The Front Desk Officer will notify the Operations Lieutenant who will notify by phone, the OIC at the hospital. Without verbal notification from the Lieutenant, the visit will not take place.

- (5) The Case Manager will notify the Front Desk Officer and the Lieutenant's Office in writing when a visit is approved for an inmate in a downtown hospital.

c. Institution Bedside Visits:

- (1) Bedside visits must be prearranged by the inmate's unit team and approved by Warden (Attachment 4). Visits will be scheduled for Thursday through Monday, the same as routine visiting days.
- (2) Visiting times will be one (1) hour in the morning between the hours of 8:00 a.m. and 10:00 a.m. and one (1) hour in the afternoon, between the hours of 1:00 p.m. and 3:00 p.m.
- (3) The unit officer will conduct a thorough search of the inmate and the inmate's cell prior to and immediately following the completion of the bedside visit.
- (4) The inmate's Unit Manager will designate a member of his unit team to serve as supervising staff for the visit. Staff supervising bedside visits in hospital wards must provide constant and immediate visual supervision of inmates and their visitors to prevent security violations.
- (5) Scheduling of all bedside visits will take into consideration any medical treatment needed, (i.e. medication), and any recommendations the physician may make (i.e. length of visit, limiting number of visitors, etc.).
- (6) While visiting is encouraged, visiting arrangements must be consistent with the security and good order of the institution, with staff resources available, and with the well being of the patient in mind.

d. Detention or Segregation: The Captain is responsible for providing an adequate place to visit and determining visiting hours. All of the regular visiting room rules and regulations shall apply.

e. Non-Contact Visits: The Warden hereby delegates to the Captain authority to suspend contact visiting privileges for inmates when and where such visiting presents a potential threat to the security or orderly running of the institution.

f. Children: Children age 16 and under may not:

- (1) Visit in any living area;
- (2) Traverse any living area to visit.

15. **PROCEDURES:**

- a. Responsibility: The Captain is responsible for the maintenance and assignment of supervision to the institution Visiting Room. The Case Manager is responsible for the procedures set out in Section 19(b) of Program Statement 5267.07.
- b. Preparation of List of Visitors: The Case Manager is responsible for evaluating the proposed visiting list submitted by an inmate and preparing all documents required in Section 19 (b) of Program Statement 5267.07. An NCIC check is required of all visitors not verified in the inmate's Pre-Sentence Report or not listed on a visiting list prepared at another facility. Attachment 1 of this Supplement will be provided to the inmate to make additions or deletions to the approved visiting list. The completed form will be returned to the unit team for review and processing. The inmate will be notified by the Unit Team of the approval or disapproval of his request. Unit staff will enter approved visitors into the Visiting Computer Program and a copy of the approved visiting list will be placed in the inmate central file. The inmate will be provided with a copy of the Medical Center visiting regulations. ** Volunteers will not be placed on an inmate's visiting list even if they discontinue volunteer group participation.
- c. Identification of Visitors: The Front Entrance Receptionist or Officer is responsible for the identification of all visitors to the institution. All visitors are required to provide one photo identification card such as a driver's license or a state approved photo identification card. Visitors will not be permitted into the institution without proper identification. Any questions concerning proper identification will be directed to the Operations Lieutenant or IDO.
- d. Notification to Visitors: The Front Entrance Receptionist/Officer is responsible for making

available written guidelines (Attachment 2) to the visitor. **The visitor will sign for these guidelines on Attachment 7. The visitor will sign the Notification of Visitors form.**

The Joint Commission on Accreditation of Healthcare Organizations (JCAHO) requires that measures be taken to control and prevent the spread of disease among patients, staff, and visitors. A letter (Attachment 6) has been created to warn visitors of the potential negative impact they could have while visiting inmates. This letter will be on the back side of the sign in roster in the front entrance reception area. The visitor will be required to read the letter as they sign in for the visiting session.

- e. Searching Visitors: Visitors are subject to search and under certain circumstances, detention and/or arrest. Refer to PS 5510.09 and SPG-5510.09 for exact specifications and circumstances.

It is the responsibility of the Receptionist to ensure only authorized items are allowed into the visiting area and only after the items have been thoroughly searched for contraband. Authorized items are defined as a small clear clutch purse, handkerchiefs, combs, coins or reasonable amounts of currency, female hygiene items, identification cards, items to provide sufficient care of infants such as two (2) bottles, (2) two jars of baby food (must be in a factory sealed container), one (1) change of outer garment, three (3) diapers, and immediate needs medications such as those needed for heart disease, respiratory malfunctions, etc.

Unauthorized items shall include but not be limited to; cigars, cigarettes, lighters, diaper bags, large purses, letters or documents without prior written approval, photographs, etc. Clear plastic bags will be provided for use in carrying infant supplies in lieu of a diaper bag. It is recommended that unauthorized items be secured in the vehicle; however, should this not be possible, lockers are available in the Front Lobby. All items requiring storage in the lockers will first be thoroughly searched by the Receptionist prior to allowing placement.

Visitors may not leave money in the Visiting Room or Front Entrance for credit to an inmate's account. All monies must be mailed to the inmate. A Postal Money Order is recommended because personal checks will be held for fifteen (15) days before they will be credited to the inmate's account.

Visitors will be required to successfully pass through the walk-through metal detector. In the event this is unsuccessful, a hand-held metal detector will be used.

Should the visitor still be unable to successfully pass screening, the Operation's Lieutenant will be contacted for further assistance. ORDINARILY UNDER NO CIRCUMSTANCES WILL A VISITOR BE ALLOWED ADMITTANCE INTO THE INSTITUTION UNTIL HE/SHE HAS SUCCESSFULLY PASSED THE METAL DETECTOR(S). THE OPERATION'S LIEUTENANT IN CONJUNCTION WITH THE IDO WILL MAKE THE FINAL DECISION.

- f. Record of Visitors: The Receptionist shall require each visitor to complete the Notification to Visitor Form (BP-224) of Program Statement 5267.07 in the lobby area and carry it to the Visiting Room Officer, who shall ensure it is properly completed and signed. The Visiting Room Officer shall forward this form to the SIS Office for filing.
- g. Visitor's Dress Code: The Front Lobby Receptionist will be responsible for ensuring all visitors are dressed appropriately prior to being allowed entrance into the Visiting Room. Inappropriate attire is considered to be: transparent clothing; strapless garments; skirts, dresses, and shorts which are shorter than four (4) inches from the middle of the knee; slits in skirts and dresses which reveal intimate areas of the body; t-shirts with obscene logos; low-cut blouses; or obvious lack of undergarments. In summary, all clothing worn by the visitor must display good taste at all times.

When the appropriate attire is questionable, the Operation's Lieutenant will be notified and make the final decision in conjunction with the IDO. Denial of the visit due to inappropriate attire will be documented via memorandum and placed in the inmate's Central File.

- h. **It is the responsibility of the Visiting Room Officers to ensure that the visiting area regulations are followed as outlined by Bureau of Prisons policy and that visits are conducted in a quiet, orderly, and dignified manner. Direct observation of the visits is not required at all times, but the officers will move about and constantly observe the general visiting areas. The officers will pay strict attention to ensure articles are not being passed between the inmate and his visitor. A visual search of each inmate is required at the beginning and end of a visit. This practice is designed to reduce the possibility of the introduction of contraband into the institution through the visiting room. All inmates will be subjected to a metal detector search at the end of the visit. Searches will be conducted out of the visitors' view and in privacy.**
16. **MCFP CAMP VISITING:** Camp visiting will be allowed during the hours of 8:15 a.m. and 3:30 p.m. Saturdays, Sundays, and national holidays.
- a. **Location:** Visits will be conducted on the concrete pad, the marked area adjacent to the concrete pad, the playground area, and inside the multi-purpose building. There will be no visiting outside these designated areas.
 - b. **Processing of Visitors:** Visitors wishing to visit Camp inmates must first report to the Front Entrance Officer (lobby) at the main institution. All visitors will be processed in and complete the Notification to Visitors Form (BP224). Each visitor must be identified and placed in the computer visiting program.

The Front Entrance Officer will stamp the visitor's hand during processing and advise the Camp Officer of the number of visitors present. Upon arrival at the Camp, the Camp Officer will check the visitor's hand with the black light to ensure it is the same person which was processed. When the visit is concluded, the Camp Officer will advise the Tower One officer of the number of visitors returning to the parking lot.
 - c. **Authorized Property:** Inmates are prohibited from accepting any property (including food items not purchased from the vending machines). Vending machines

are available for use by the visitors and inmates. Inmates are not authorized to retain currency or coins. Inmates, while visiting, are not permitted to eat food from the institution food cart. Meals will not be saved or kept at the Camp for later consumption. The Front Entrance Receptionist/Officer is responsible for making available written guidelines to the visitor. (Attachment 3, Camp Visiting Room Rules and Regulations)

A small, clear clutch purse or wallet may be taken into the Visiting Room by visitors to hold authorized coins. Diaper bags are not authorized; however, essential items needed for infant needs may be carried to the Visiting Room in a clear, plastic bag. Large purses and other items should be secured in the visitor's vehicle. However, when this is not feasible, those items may be stored in the lockers provided.

- d. Apparel: Inmates receiving visitors will be dressed in institutional clothing. Visitors will display appropriate dress as defined in Section 16(g).
 - e. Religious Services: Visitors may attend Camp religious services with the inmates being visited. Services are conducted by institution Chapel staff in the Training Building. The Protestant service begins at 9:30 a.m. and the Roman Catholic mass begins at 3:00 p.m. on Saturdays.
17. **PENALTY FOR VISITING ROOM VIOLATIONS:** The right to have future visits may be denied to anyone who tries to circumvent visiting regulations. Unlawful actions will be referred to the appropriate federal agency for prosecution.

VISITING ROOM RULES AND REGULATIONS:

The following guidelines have been established to provide an opportunity to visit within the confines of the U.S. Medical Center for Federal Prisoners in a safe and orderly manner. They have been formulated so visiting privileges may continue to be a productive and integral part of this institution's operation and the inmate's adjustment. Questions concerning these guidelines should be directed to the Receptionist or Visiting Room Officers.

1. The Front Lobby Receptionist/Officer will ensure all visitors are dressed appropriately. Inappropriate attire is defined as transparent clothing; strapless garments; skirts, dresses, and shorts which are shorter than four (4) inches from the middle of the knee; slits on the skirt or dress which reveal intimate areas of the body; t-shirts with obscene logos; low-cut blouses or dresses; or the obvious lack of undergarments.
2. Inmates and visitors are expected to conduct themselves in an appropriate manner. Personal contacts within the limits of good taste, such as shaking hands, kissing, and embracing will be permitted only when the inmate and visitors meet and immediately prior to departure. No violations in this area will be tolerated. Appropriate and necessary action will be taken if violations occur.
3. Children are the responsibility of their parents and will remain with their parents while in the Visiting Room. They are not permitted to roam through the Visiting Room or disturb other visitors.

Completion of the necessary paperwork is the responsibility of the inmate concerned.
9. Inmates are permitted three (3) adult visitors at a time. If more than three (3) adults arrive to visit, they may wait in the lobby and exchange places with those in the visiting room. If necessary, the number of adults may be reduced by the Visiting Room Officers. At no time will there be more than six (6) visitors for one inmate at one time.

12. An inmate wishing to show legal documents to his attorney will mail them to him/her prior to his visit. In situations where the inmate has a time deadline, he may have a member of the unit team seal the legal documents in an envelope and take it to the Visiting Room when the attorney arrives. The inmate will make these arrangements prior to reporting to the Visiting Room. These legal documents will again be inspected for contraband upon termination of the visit and the inmate's return to his unit. The inmate's unit team member will return to the Visiting Room to pick up the documents and return them to the inmate. No legal documents will be brought through the Shakedown Room.

Inmates are not permitted to take letters, pictures, etc., from the Visiting Room back inside the Camp living unit, with the exception of the photographs taken in the Visiting Room that are purchased by the inmate with tickets.

7. The Camp visiting hours are from 8:15 a.m. to 3:30 p.m. on Saturday, Sunday, and federal holidays. Additional or "special visits" must be approved at least one week in advance by the inmate's unit team. Completion of the necessary paperwork is the responsibility of the inmate concerned.
8. When no additional seating is available in the Visiting Room, those inmates who have local visitors (within a twenty-five mile radius of the institution) and have visited the longest will terminate their visits to allow visiting space for out-of-town visitors.
9. Private attorneys and consular officials are permitted to carry briefcases into the Visiting Room; however, such briefcases are subject to inspection by the Visiting Room Officer prior to entry.
10. An inmate wishing to show legal documents to his attorney will mail them to him/her prior to his visit. In situations where the inmate has a time deadline, he may have a member of the unit team seal the legal documents in an envelope and take it to the Visiting Room when the attorney arrives. The inmate will make these arrangements prior to reporting to the Visiting Room. These legal documents will again be inspected for contraband upon termination of the visit and the inmate's return to his unit. The inmate's unit team member will return to the Visiting Room to pick up the documents and return them to the inmate.
11. Tape recorders may be used by attorneys, with prior approval in writing from the Warden. Use will be in compliance with Bureau of Prison Program Statement 1315.07, dated 11-05-99, and entitled, "Inmate Legal Activities". See Section 543.13, "e".
12. Any inquiries made by visitors concerning an inmate will be directed to the inmate's unit team. The inmate can advise the visitors of the names of his unit team members.
13. Visitors who give evidence of recent use of intoxicants or display inappropriate behavior will not be permitted to visit.
14. Visitors may not leave money in the Visiting Room or Front Entrance for credit to an inmate's account. All monies must be mailed to the inmate. A Postal Money Order is recommended because personal checks will be held for fifteen (15) days before they will be credited to the inmate's account.
15. Visitors will visit only with the inmate on whose visiting list they appear.
16. **WARNING: IT IS A FEDERAL CRIME TO BRING UPON THE INSTITUTION GROUNDS ANY WEAPONS, INTOXICANTS, DRUGS, OR OTHER CONTRABAND. 18 U.S.C.
